# TOP 5

Most sustainable  
universities in the  
world\*

\*2020 UI GreenMetric World  
University Rankings

# Our graduates

# Work-ready graduates

- One of the UK's most employment-focused universities
- **100% of our courses offer work-like experiences**
- 175 of NTU courses are currently accredited by professional bodies, employers or external organisations
- Personalised learning

# Placement Opportunities

NTU is in the Top 10 UK Universities for the number of students on year-long work placements.

Many of our courses offer year-long placement opportunities, making UG courses either 3 or 4 years and PG courses 1 or 2 years.

Most courses include professional development/careers focused modules, including designated work placement periods. Internships are actively encouraged.

# NTU's Employability Team

**Dedicated to providing support and guidance for students and alumni with:**

- Sourcing internships
- Finding work experience opportunities
- Securing paid employment
- CV development
- Preparing for interviews

**JobShop**  
Part-time jobs for NTU students

**InPlace**  
Smart Placement Solutions

**FutureHub**

Employability support is available for up to 3 years after graduation!

- Global community of 4000 students
- In the heart of creative Nottingham

# Our Departments

- Fashion Textiles & Knitwear
- Fashion Management, Marketing and Communication
- Design and Digital Arts

# Our Industry Partners

# School of Arts and Humanities

Here for the epic thinkers!

# School of Arts and Humanities

- History, Museum and Heritage Studies
- English, Creative Writing, and Philosophy
- Journalism and Media Studies
- Linguistics and Language Teaching (TESOL)

MA TESOL: <https://www.ntu.ac.uk/course/arts-and-humanities/pg/ma-teaching-english-to-speakers-of-other-languages-tesol>

# Degrees and Applying

- **UG and PG (Taught) Degrees**
- <https://www.ntu.ac.uk/international/study-and-courses>
- UG (BA): 3 years (4 years if the degree has a so-called sandwich option)
- PG (MA): 1 year
- **Research (PhD) Degrees (3 years)**
- <https://www.ntu.ac.uk/research/research-degrees-at-ntu/how-to-apply>

# Section 5: Research Project (for PhD)

- **Research Proposal and Personal Statement (mandatory):**
- Provide a research proposal with a maximum of 1,500 words clearly describing:
  - the research area or topic that you wish to study for a PhD;
  - the research question(s) you wish to investigate including an explanation of why the proposed research area is likely to lead to high quality research outcomes;
  - why it interests you;
  - the methodology i.e. how you propose to research it;
  - the research context, in which you should explain how your proposed PhD research area or topic relates to other work in the field;
  - the purpose and originality of your research i.e. how you think your project might contribute to understanding of your subject.
- You will also need to include a proposed timeline of your research and a bibliography or reference list.
- Please note, if you are applying to the **School of Science and Technology** you need to submit a research proposal of **no more than 500 words** that should be a clear and concise statement and include references with web links to at least five journal articles or relevant reviews that report the state of the art in the field related to your proposed PhD research area or topic.

- Default: 6.5 with minimum of 5.5 in each component
- Journalism: 7.0 with a minimum of 6.0 in reading and writing, and 5.5 in speaking and listening
- Science and Technology (UG, Y1): 6.0 with minimum of 5.5 in each component
